To Mrs. Beddome

Dear Madam

As representing the
Malacological Society of
London, I hasten to send
you our deepest sympathy
on the sad occasion of
the death of Col. Beddome.

Quite recently I had
seen him at one of our
Council meetings in the
museum, when he appeared
to be fairly vigorous, so
that I am afraid his
departure must have
been most unexpected.

Sincerely

You are probably aware that the late Col. Beddome was one of our original members dating back to the foundation of the Society in 1893. and that during the last three years he had filled the office of a Vice President.

Believe me
Yours faithfully
R. Bullen Newton,

President.
Malacological Society.
